Quality Policy

The company is committed to:

- Excellence in solutions (products, systems and services)
- Delivering well-designed and safe products, with high degree of clinical and ergonomic efficiency
- Being professional and presenting our solutions in an honest and ethical manner
- Providing competent, responsive, and efficient services, and reliable delivery performance
- Complying with regional, national, and international regulatory requirements for product and management systems
- Fostering a company-wide culture of quality where all contribute to achieving excellence
- Continuously improving our solutions by utilizing customer feedback
- Maintaining an effective quality management system.
